

**SAN FRANCISCO PUBLIC LIBRARY**  
**TEEN PROGRAMMER APPLICATION**

Are you interested in organizing, advertising and teaching a teen program to other teens and younger kids? If so, apply to be a teen programmer at our branch.

- Gain leadership skills.
- Find out what goes into designing a program for youth.
  - Receive a small stipend.

Please fill out completely and return to the SFPL teen librarian at the location that you would like to propose this program for. We will respond to you as soon as we can.

Thank you for your interest in teen programs.

**Contact name:**

**School/Grade:**

**Phone number:**

**Address:**

**E-mail:**

**Proposed program title:**

**Proposed date (must be at least 2 months before the application submission date to allow enough time for advertising and planning):**

**Material expenses:**

**Social Security Number (for reimbursement purposes only):**

**PROGRAM DESCRIPTION:**

**1. Describe the program in full detail. How does your program target San Francisco teens or build on their skills and talents? What are the activities that will happen?**

**2. How long will the program last? Provide an outline of the program, including length of time for each segment.**

**3. How many participants do you expect? What age group are you targeting?**

**4. What special equipment or supplies will you need for your program? Will you need electrical hook-ups, audio-visual equipment, or microphones? Describe these needs in full detail.**

**(continue on the back if necessary)**
